Union, Morris, Somerset & Sussex Counties, NJ

October 22, 2009

Dear Brothers and Sisters,

Per the new language, from the 2009 Constitutional Convention, our working dues have been raised as follows:

Over five (5) years time the working dues for Building Trades, Light Commercial/Residential, Industrial, Classified and all Apprentices will increase:

2010 \$.03 + \$.05 currently = \$.08 total per hour
2011 \$.03 + \$.08 from 2010 = \$.11 total per hour
2012 \$.01 + \$.11 from 2011 = \$.12 total per hour
2013 \$.01 + \$.12 from 2012 = \$.13 total per hour
2014 \$.01 + \$.13 from 2013 = \$.14 total per hour

(for a total of \$.09 over five [5] years)

If the work hours and investments go up over the next two years, the International states that it will reevaluate the last three (3) years increase of \$.01 per year (2012, 2013, 2014).

The monthly dues will increase for Retired and Disabled Members by \$1 per month, to \$15.00, starting January 1, 2010 (note: this is SMWIA per capita, Local 22 does not keep any of your dues).

If you have any questions, please call the Local Union office at (908) 931-1798.

Fraternally yours,

Thomas R. Fischbach
Business Manager/Financial Secretary/Treasurer
